Welcome

DAVID FELIX
Board Chair

The strength of Arizona's future depends on the opportunities we provide today. Through innovative STEM-based programs, statewide initiatives, and strategic partnerships, SciTech Institute helps people discover pathways to careers while building the connections that strengthen our communities and workforce.

By bringing together leaders from education, industry, government, and nonprofit organizations, we foster collaboration that expands access to STEM education, empowers youth to pursue STEM careers, and invests in workforce development to meet the challenges that lie ahead.

A SciTech Institute sponsorship is an investment in Arizona's talent pipeline and economic vitality. Thank you for considering a partnership that helps create lasting opportunities and meaningful impact throughout our state.

Why Support SciTech Institute?

- Position your organization as a trusted and active partner in driving progress and fostering STEM education and workforce development.
- Build meaningful connections with a wide range of individuals, from industry & community leaders to families and future leaders.

SciTech Institute's advantage is that our programs span across the country, which allows our sponsors to be uniquely situated to broaden their audience and visibility.

About Us

SciTech Institute is an Arizona-based nonprofit dedicated to connecting and engaging STEM networks to foster opportunities and collaboration in education and workforce development. We work alongside educators, industry leaders, community organizations, government agencies, and workforce partners to strengthen STEM learning and career pathways across the state and beyond.

Programs

STEM Ecosystem & Workforce Dev

The Ecosystems foster collaboration across sectors – connecting local businesses, schools, museums, libraries, nonprofits, governments, organizations, and other community members to align efforts and make use of non-traditional STEM learning resources.

Chief Science Officers

CSOs are students in grades 6-12 who are elected by their peers to serve as liaisons for STEM and innovation in their schools and communities.

SciTech Festival

A statewide celebration of Science, Technology, Engineering, and Math (STEM or STEAM when you include the arts) held annually January through April.

STEM for All Kits

Free, hands-on STEM learning kits are distributed statewide, providing accessible science, technology, engineering, and math experiences for youth year-round.

Your Investment. Real Impact.

The impact data below demonstrates how your support expands access to STEM experiences, develops future workforce talent, empowers youth leadership through the Chief Science Officers program, inspires exploration through the Arizona SciTech Festival, and delivers hands-on learning through STEM for All Kits.

STEM Ecosystem & Workforce Development

- **$5,000–$25,000 | Sponsor a Worlds of Work (WOW) Event –** Support hands-on career exploration experiences that connect students with local industries and real-world careers. Funding helps expand WOW events into rural and underserved Arizona communities, increasing workforce awareness and employer engagement.
- **$10,000–$50,000 | Sponsor a Career Pathway Map –** Help students and job seekers navigate clear pathways from education to employment. Your investment supports the development of industry-specific career maps and positions your company as a champion of Arizona's future workforce pipeline.

Chief Science Officers Program

- **$100 | Send a CSO to the Youth Solutions Summit –** Provide a CSO with access to a day of learning, leadership development, and collaboration focused on solving real-world community challenges.
- **$1,000 | Sponsor a CSO for One School Year –** Equip a CSO with training, resources, and mentorship to design and implement STEM Action Plans that create impact in their school and community.
- **$5,000 | Support the CSO Leadership Council Citizen Science Trip –** Fund an immersive leadership experience where Arizona's top student STEM leaders strengthen teamwork, engage in community service, and explore STEM careers and research.
- **$10,000 | Sponsor the STEMMY Awards –** Celebrate and elevate the achievements of CSOs and advisors at the program's annual recognition event.

Your Investment. Real Impact Cont.

Arizona SciTech Festival

- **$2,500 | Support a Community Festival Event** – Help bring free, hands-on STEM experiences to students and families while increasing access to STEM learning in communities across Arizona.
- **$5,000 | Sponsor a Signature Festival Event –** Connect your company with thousands of learners while supporting one of the Festival's premier STEM experiences and growing awareness of STEM careers.
- **$10,000 | Expand STEM Access Across Arizona –** Help develop the Arizona SciTech Festival by supporting new events, community partnerships, and outreach that bring STEM experiences to more families in urban, rural, and underserved communities statewide.

STEM for All Kits

- **$2,500 | Fund 500 STEM for All Kits –** Provide 500 children and families with free, hands-on STEM activities that inspire curiosity and learning beyond the classroom.
- **$5,000 | Fund 1,000 STEM for All Kits –** Expand access to engaging STEM experiences for learners in libraries, community centers, and underserved communities across Arizona.
- **$10,000 | Fund 2,000 STEM for All Kits & a Community Packing Party –** Support the assembly and distribution of 2,000 kits while engaging up to 100 volunteers in a meaningful, team-building service project that directly benefits Arizona families.

Premium Levels

Sponsoring a SciTech Institute program is all about making an impact in our communities through STEM education and awareness.

As a sponsor, you will have the opportunity to connect with diverse audiences and help drive meaningful initiatives.

Breakthrough Sponsor

A premier sponsor champion recognized for their exceptional support and commitment to our mission. This top sponsorship includes prominent brand positioning, exclusive benefits, and program collaboration opportunities.

Discovery Sponsor

A key partner who provides substantial support, helping to advance our mission and initiatives. This sponsorship level includes notable branding opportunities and involvement in select event activities.

Exploration Sponsor

A valued supporter who contributes meaningfully to our efforts and events. This sponsorship level includes visible recognition and opportunities to engage with our audience.
